

To Our Community Supporters:

CSS Grad 2012 Dinner Auction

The presenter of this letter is a Chilliwack Secondary graduating student or the parent of a student who will graduate this year. Once again our school will be holding a Grad Dinner Auction to help offset the expenses for our grads. The auction will be held on Thursday, April 12, 2012, starting at 5:00 pm in the Chilliwack Secondary School gymnasium.

We are seeking your assistance in donation of items to auction, such as products, services, gift certificates etc. We recognize that your response to this request must be decided in the context of your business and current economic realities. However, whatever you can do for our Graduates of 2012 would be appreciated and acknowledged in our local newspaper after the auction.

Should you require further information or clarification, please call the school at the number below.

Sincerely,

Paula Gosal  
Vice Principal

---

Below is the contact information for the grad that has dropped off this donation request.

Thank you for supporting the grads of Chilliwack Secondary School!
