

Construction to begin on the new **CHILLIWACK SECONDARY SCHOOL**

The Board of Education will unveil plans for this project at a public **OPEN HOUSE** on February 28, 2011. School District representatives and the Design-Build team will be available to answer questions about the design and construction of the new secondary school.

Highlights include:

- 21st century learning spaces
- A Neighbourhood Learning Centre providing support for students and their families
- A Distributed Learning Centre for on-line and self-paced learning
- Outstanding athletic facilities including an artificial turf field
- An Aboriginal Cultural Centre

Please join us between **5:30 and 7:30 pm** on **Monday, February 28, 2011**
