

Chilliwack Secondary Grad Dinner Auction Information Sheet.

The Dinner-Auction will be on Thursday, April 12, 2012.

Dear Chilliwack Grad:

Thank you for participating in the Grad Dinner Auction, the biggest Grad fund raiser of the year. If you would like to benefit from this fund raiser, here's what to do:

1. Contact one or more of the businesses posted on the grad bulletin board (these businesses have donated in the past) and any others you can think of! Pick businesses where you have connections. Example: you are related to the owner, your family is a regular customer of the business. As these businesses have donated in the past, there is a good chance that they might donate in future; however, there is no guarantee.
2. Take a letter to each business you would like to contact, please sign your name at the bottom. This letter explains that you are asking for a donation for the CSS dinner auction. Give this letter to the business when you ask for a donation. Contact the business as soon as possible. Be polite whether or not you receive a donation. Follow up if you're asked to come back at a later time.
3. Contact these businesses as soon as possible. **DON'T PROCRASTINATE.** Once you have a donation bring it to the office as soon as possible with the **Grad Dinner Auction Donation form** filled out and attach it to your donation. This is a record to ensure your grad account is credited.
4. Your grad account will be credited with one half of the selling price of the item at the auction. This money can be used towards the purchase of a pair of banquet and/or dry grad tickets for you and a guest. You will not be given cash for any other purpose. The other half of the money will go into the grad account to lower the cost of banquet for all graduates and for other grad related costs.
5. There will be other opportunities for Grads to earn money to help with their grad expenses by volunteering to do various jobs at the dinner auction on Thursday, April 12. Please contact Mrs. Gosal if you are interested.
6. The more we make at the Dinner-Auction, the less each grad has to pay for the banquet and dance. So, Grads, GET INVOLVED! Encourage your parents and their friends to attend the Dinner-Auction.
7. Grads will have until **April 2, 2012** to bring in their donations.

Note: Information on Grad Fund raising will be posted on the bulleting board outside the Counseling Centre and on the school website.
