8. Students must not copy, plagiarize or present as their own, work done by any other person.
9. Students must immediately follow the invigilator's order to stop writing at the end of the examination time and must not alter an Examination Booklet, Response Booklet or Answer Sheet after the invigilator has asked students to hand in examination papers.
10. Students must not remove any piece of the examination materials from the examination room, including work pages.
11. The use of inappropriate language or content may result in a mark of zero being awarded.
12. Upon completion of the examination, return all examination materials to the supervising invigilator.
